Hello Sarah:

In response to your question about who presents at the National Remedy Review Board, here's what I have found out:

The parties that will present to the Board are:

The State of Oregon

EPA

Tribes (Siletz, Grand Ronde, Yakama, Umatilla, Warm Springs, Nez Perce)

In addition, the Lower Willamette Group and the Community Advisory Group can submit written comments to the Board.

I hope this information is helpful. Let us know if you have further questions.

Marianne

Hi Cindy,

Could you please share the list of groups that will be making presentations to the National Remedy Review Board on the Portland Harbor Superfund site in November?

Thank you!
